

## YESCO Historic Milestones 1920-2024

- 1920 Thomas Young borrows \$300 from his father and creates the Thomas Young Sign Company. The company specializes in lighted signs, wall-painted advertisements, gold-leaf window lettering and coffin plates.
- 1932 YESCO begins servicing Las Vegas. First clients include the Boulder Club, with its sign depicting a stein of flowing beer. Young would become credited with pioneering the use of neon in storefront advertising and building a reputation for creativity.
- 1942 Thomas Young, Jr., second generation, joins YESCO.
- 1945 YESCO opens a plant in Las Vegas.
- 1955 YESCO acquires Rainbow Sign Company of Southern Utah.
- 1958 Silver Slipper and Golden Nugget neon spectaculars are designed and built by YESCO; the massive Stardust sign and fascia cover the entire front of the building with flashing light bulbs, neon tubing, simulated stars and planets against a painted lunar background.
- 1959 A massive sign is designed, engineered, manufactured and installed for The Mint Hotel and Casino. Acknowledged as the electrical engineering classic sign of its time, the majestic sign's curved and arched form towered 96 feet above "Glitter Gulch," as Las Vegas' Fremont Street was known.
- 1962 YESCO designs, builds and installs a new sign for Snelgrove's Ice Cream in Salt Lake City, featuring a fabulously popular rotating double ice cream cone.
- 1964 YESCO acquires Sierra Neon and Western Neon and YESCO Reno installs the Palace Club and Harrah's Club spectaculars.
- 1965 Three-dimensional Dee Burger clown signs using Plexiglass, acrylic plastics and flashing lights designed by YESCO appear in Salt Lake City.
- 1969 YESCO opens offices in Idaho Falls and Twins Falls; Thomas Young, Jr., is named president of YESCO. The company expands to eight offices and 300 employees; the Circus Circus Clown spectacular is installed in Las Vegas. The sign is listed in the Guinness Book of Records as the world's largest freestanding sign.
- 1970s YESCO America is established and a new YESCO logo is introduced. An office opens in Boise, and YESCO acquires Westarc Leasing of Denver. YESCO expands the Salt Lake City operation and opens offices in Los Angeles; Elko, Nevada; and Kingman, Arizona. Royal Sign Company is acquired. YESCO acquires Federal Sign offices in Phoenix, Las Vegas and Reno, Nevada, and Epcon Signs in Utah, Idaho, Wyoming and Nevada. After 45 years, YESCO's Ogden office moves to a new location. YESCO opens an office in Phoenix.

- **1971** Thomas Young Sr. dies on September 11, leaving behind his life's work a legacy of light to be carried like a torch from generation to generation.
- 1975 Michael T. Young, third generation, joins YESCO.
- 1977 Paul C. Young, third generation, joins YESCO.
- 1980 Jeffrey S. Young, third generation, joins YESCO; at 222.5 feet tall, YESCO installs the world's tallest freestanding sign at the Sahara Hotel and Casino in Las Vegas.
- 1982 YESCO creates the sign package for Epcot Center in Orlando, Florida.
- 1989 YESCO installs the sign for The Mirage Las Vegas Hotel and Casino.
- 1990 YESCO installs the sign for Excalibur Hotel and Casino.
- 1993 Stephen E. Jones, third generation, joins YESCO. Jones is the son-in-law of Tom Young, Jr.; YESCO installs the signs for Luxor Las Vegas Hotel and Casino and MGM Grand Hotel and Casino.
- 1996 Ryan P. Young, fourth generation, joins YESCO; YESCO loans its retired boneyard signs to The Neon Museum, a new 501(c)3 nonprofit organization dedicated to the preservation of Las Vegas' historic signs; YESCO installs the sign for the Monte Carlo Hotel and Casino.
- 1997 YESCO installs the sign for New York-New York Hotel and Casino.
- 1998 YESCO installs the sign for Bellagio Las Vegas Hotel and Casino.
- 1999 Joshua M. Young, fourth generation, joins YESCO; the company installs the sign for The Venetian Las Vegas Hotel and Casino.
