**ABOUT MINUS5°
ICEBAR:**

Minus5° ICEBAR is a unique, one-of-a-kind immersive ice attraction with three Las Vegas Strip locations: Mandalay Bay Resort and Casino, Grand Canal Shoppes inside The Venetian Resort Las Vegas and The LINQ Promenade. Minus5° ICEBAR offers a distinctively chill vibe for people of all ages, with signature frosty cocktails served in glasses made entirely of ice for guests ages 21 and older. Each ice bar offers over 90 tons of ice featuring interactive ice sculptures and themed art pieces and wall displays. Minus5° ICEBAR creates spectacular, Instagrammable memories for every guest.

ABOUT THE ICE:

Minus5° ICEBAR features 90 tons of special ice created by a freezing process which includes a proprietary system to create crystal-clear ice blocks known as “carvers’ ice.” The blocks are shipped directly from a designated ice distributor in Canada. Each lounge is constructed over a three-week period, with seven world-renowned ice carvers chipping, sawing and carving 250-pound blocks into sculptures, furniture, décor and more. Minus5° ICEBAR maintains its consistently freezing temperature of 23 degrees Fahrenheit (minus-5 degrees Celsius) thanks to a state-of-the-art temperature monitoring system that accounts for ambient temperature, humidity, body temperature, volume of people and more.

AGE REQUIREMENT:

Ages 7 years old and up.

**COCKTAILS AND
TREATS:**

Through its FRESH & COOL bar program, the ice lounge adds new beverages and boozy treats to its menu for guests 21 and up on an ongoing basis. Signature frosty cocktails and mocktails are served in glasses made entirely of ice. Other tempting treats include the Dole Whip and Super Daiquiris.
